## 2009 Summer Program Schedule

Central Florida Behavioral Hospital (CFBH) has an exciting summer program planned for our students beginning on June 8th and ending on August 21st. The Summer Program provides students an opportunity to continue to work on their academics, take part in fun educational activities, and continue to receive therapeutic support.

Each month the Learning Academy will emphasize a central theme that will be integrated into the Residential and Day Treatment or Partial Hospitalization (PHP) curriculum. All themes are content-based and emphasize the development of life and social skills. Each theme will culminate with a cooperative learning activity and an outing. Themes for the 2009 Summer Program are:

### **Theme**

*Let the Games Begin*

*Uncover Your Hidden Talent*

*Imagine the Possibilities*

### **Focus**

*Olympics*

*Fine Arts*

*Science*

The philosophy at CFBH Learning Academy continues to be a belief in academic excellence for all students while meeting their individual needs on each student's level. The Learning Academy provides modified curriculum, small group instruction and one-on-one attention. Academic credit, remediation and enrichment are always offered.

A detailed schedule of all summer themes and activities is included on the reverse side of this notice.
